Bulldozer Spider 04

The famous Bulldozer, the power in great profil cleaning in new design. For the round effectiveness in round and angle profiles. With the Bulldozer Spider 04 it is possible to clean the whole profil-walls and tops of pipes in one workingstep. Min. 250 l/min /300 bar.

And those are the parts for the Bulldozer Spider 04:

Bulldozer Spider 04 with 9 flatstream-ceramic inserts around and 7 rearjets also in ceramic, guidesystem with 8 steel-wheels, jet extension pipes in lengths:

- 1000mm
- 500mm
- 200mm
- 50mm

Y-endholders for flatstream ceramic inserts to move the stream in the right direction and to avoid stripes.

Ceramic inserts you will find on chapter IV. Adapters for reducing or increasing connection and Rotating Joints you will find at chapter VI.
