

# VA max. 350 bar • Saphir max. 2000 bar

## Dysor i rostfritt o safir

Vi har ett stort utbud av dysor enligt tabellen nedan

## Screw-in-Nozzles made of stainless steel and sapphire

General suitability for high pressure cleaning. The sapphire nozzles have a high effective life and a better jet pattern than standard drilled nozzle inserts.

### / Screw-in Nozzles

Order-No.	Designation	Material	Connections	Ø Drills
1295	M4 VA	drilled	M4 ISK/ASK	upon request
